THE MONASTERY CELLAR OF THE FRANCISCAN
MONASTERY IN SV. TROJICA

THE MONASTERY CELLAR

The monastery cellar of the Franciscan monastery in Sv. Trojica is a major and, by its diverse architecture, one of the most beautiful cellars in Slovenia. Voices of three lights, which were lighting up on the top of the hill and all miraculous that accrued lead to beginning the mass of pilgrimage to the Holy Trinity church. Originally the cellar was used as an outbuilding for storage of goods. In 2011 it was restored by the Municipality Sveta Trojica v Slovenskih goricah. Today its purpose is for multi-purpose use. In addition to all the services we offer in the cellar, are inside of the cellar healing points which are part of The **Healing park** of Sv. Trojica.

WINE TASTING

Tastings include a guided tour of the monastery cellar, monastery library with historical collection and a view of the magnificent baroque church of holly trinity. The conclusion is in the monastery cellar with wine tasting our ceremonial wines from the heart of Slovenian hills served with traditional crackling cake. You can choose between five different packages containing various ceremonial wine and sparkling wine and entertainment with crackling cake. More on the website: Občina Sveta Trojica v Slovenskih goricah.

CIVIL WEDDING CEREMONIES

Since 2013 the monastery cellar officially appointed place for the civil marriages. **Civil wedding ceremony** in the monastery cellars is truly special; it offers the highest level of privacy and allows full exclusivity to your special moment shared only with your dearest ones. In the main hall, and optionally elsewhere in the cellar or in the garden in front of the cellar, prepare the basic layout for the civil ceremony, the first part of the basement or cellar, even before they can be prepared entertainment for the guests.
